
CURRICULUM VITAE

Yang Ji Xin

- Sex: Female
- Date of birth: 29 / 10 / 1969

Address:

Qinggongyuan No.1
Ganjingzi district
Dalian, Liaoning Province
P.C.: 116034
Phone: + 86 13591120612
Email: yangjixin_0087@126.com

Positions Held:

- Professor of Mechanical Engineering & Automation , School of Mechanical Engineering & Automation, Dalian Polytechnic University
- Doctoral supervisor of Textile Science & Engineering, School of Textile & Material Engineering, Dalian Polytechnic University
- Master supervisor of Mechanical Engineering , School of Mechanical Engineering & Automation, Dalian Polytechnic University

Academic Degree:

- Ph.D. School of Mechanical Engineering , Dalian University of Technology, China, 2001

Research:

- Computer Aided Surface Modeling Design
 - Three Dimension Digitalization Design
 - Three Dimension Measurement Technology Based on Computer Vision
 - Food Machinery
-

Curriculum:

- Differential Geometry
 - Computer Graphics
 - Computer Graphics & Application in Fashion Design
-

Scientific Research Project:

- Supported by Educational Commission of Liaoning Province (LR2013023)
 - Supported by Science and Technology Department of Liaoning Province (2014026003,201102009)
 - Supported by Science and Technology Bureau of Dalian (2011A17GX075)
 - Supported by National Engineering Research Center of Seafood (2012FU125X03) & Key University Science and Technology Platform of Liaoning Province(No. 2011-191)
-

Publication:

More than 50 research articles are published and more than 20 of them are retrieved by SCI and EI.
